

Quick turn-around time is essential in the auto hauling business. To ensure that our customers are back on the road as soon as possible we feature two dedicated repair facilities with 24 hour phone support as well as authorized repair shops across the country.

Our service department offers complete equipment refurbishment, insurance claim repairs, custom modifications and all other repairs. We are prepared to meet all of your repair and maintenance needs including: fabrication, sandblasting, paint, electrical and hydraulic system repair or replacement, DOT inspections, and regularly scheduled service. We can even repair, rebuild or refurbish other brands of equipment.

Service and repair partners are located all over the United States and Canada. Contact the service department and we will direct you to the nearest facility.

Our repair staff is proud to provide service and expertise unequalled in the industry. Please call us at 877-437-8952 to schedule your appointment.
